

In 1972, Buddy and LaMuriel Smothers opened the first Buddy's bar-b-q restaurant. Now their kids are running the show with 15 locations, a full service catering department, and Bearden banquet hall.

The restaurants are still managed with Buddy's philosophy of treating customers as if they were guests in our home. They are served delicious food at a real value with southern hospitality in a relaxed family atmosphere.

Buddy also believed in giving back to the community. Buddy's bar-b-q is the event sponsor for the *Buddy's Race Against Cancer* held every fall and has raised well over \$1.5 million to support the Thompson Cancer Survival Center's Outreach Center.
