Special Instructions:

The columns on the left are to be used for placing orders for sandwiches and platters. Use an entire column for each sandwich/platter order. That's one sandwich or platter per column. You may place up to 5 sandwich/platter orders on this form. Use as many forms as you need. First choose your sandwich and condiments (if desired) by placing an "X" next to the items you want in the "Order #1" column. Next, choose 2 sides if you elect to make your sandwich a platter. The remaining items on the menu can be ordered by writing a number in the quantity column next to each listing. Prices subject to change without notice. Call your local Steak 'n Shake for their fax number or check our website for fax numbers and locations at www.steaknshake.com.
